## FOREWORD

The Ministry of Health (MoH) has the mandate to plan, guide healthcare as well as coordinates partners in Health to ensure all Tanzanians access Health services with emphasis on equity, quality services as well as sustainability. To operationalize its mandate Ministry of health undertakes management meetings, national and international conferences; and national and international health-related international advocacy activities.

Effective coordination of activities and partners is key to ensuring efficiency and effectiveness at the ministry. It is for this reason that the Ministry of Health has prepared this annual almanac to enhance output and smoothen its working relationship between different departments within the Ministry and between the Ministry and various government institutions and agencies as well as nongovernmental organizations.

It is anticipated that all key players in the Sector will use this Almanac to guide their planning and will actively participate in various health events. In addition, this Almanac, intended to encourage proactive cooperation leveraging resources so that **we leave no one behind** as per our Health Sector Strategic Plan five (HSSP V).

Dr. John A. K. Jingu  
**PERMANENT SECRETARY**

## **ACKNOWLEDGEMENT**

The Ministry of Health would like to acknowledge the efforts of all who contributed to realization this Almanac for the budget year 2024/2025. Such efforts will improve our efficiency providing adequate time to execute activities at work while at the same time ensuring physical, social and psychological well being for all individuals at the Ministry and sector wide.

The Ministry is grateful to the partnership we enjoy from all players in the Sector from Government institutions and agencies, Development Partner Group in Health (DPS – Health) Academia, research institutions, patient groups and all stakeholders.

Sincere appreciation to the Director of Monitoring and Evaluation and the entire Department for their coordination and compilation of this Almanac. I look forward to a fruitful year where our workplaces will enhance coordination and therefore provide serene environment to foster Mental Health and wellbeing of all.

Prof. Tumaini J. Nagu  
**CHIEF MEDICAL OFFICER**
